RELATED PRODUCERS

Please complete and return this form

ALL SOLE PROPRIETORS MUST COMPLETE THIS FORM.

Definitions:

RELATED PRODUCERS are producers with whom the applicant does not deal at arm’s length. These can include: siblings, parents or children (by blood, marriage or adoption); spouses (including common-law); or individuals with whom the applicant is cohabitating.

COMMON-LAW PARTNERSHIP means the relationship between two persons who are cohabitating in a conjugal relationship, having so cohabitated for a period of at least one year.

BUSINESS ENTITY means any corporation, partnership, cooperative or other association of persons of which you or a related individual (as defined above) is a shareholder, partner or member, as the case may be.

Producers in a married or common-law relationship will automatically be considered related. This means that:

- Outstanding advances under the program with one party will be attributed 100 percent to the other party and will therefore limit the amount that other party may receive both in total, as well as for the interest free portion.
- Should one party go into default, the other party will not automatically be placed in default but will be ineligible for additional advances until the default situation is resolved.

Related Producers:

Relatedness affects the applicant’s eligibility to receive an advance, as well as the amount of an advance.

If you answer YES to questions 1 or 2 below, complete the Related Producers section, which is a declaration of relatedness. If you choose to rebut the presumption of relatedness, you must also complete the Rebuttal of Relatedness section.

If you answer YES to question 3, you may not be eligible to receive an APP advance, unless you are able to rebut the presumption of relatedness.

1. Do you share the reporting of income or losses of any other farming operation with a related producer?
YES NO
2. Has a related producer a) applied for an APP advance in this production period or b) have an outstanding APP advance from a previous production period?
YES NO
3. Is any related producer ineligible as a result of a default under APP, SCAP or ESCAP?
YES NO

List all related individual producers who received an advance for this or previous production periods, including advances issued by other APP Administrators.
